

IIA Institutional Selection of Proposed Program(s)

In order to offer the proposed program(s), *an institution* must first earn provisional approval from the Commission. Then, *each proposed program(s)* must be approved by the Committee of Accreditation. All Commission-approved institutions and their programs must participate in the Commission's accreditation system.

Please select the program(s) your institution is proposing to offer. The checkmarks in the table below indicate the types of programs your institute may offer to offer.*

**Please note that if you are selecting a Preliminary Education Specialist and/or Single Subject program, you must also select the respective specialty area and/or content area.*
